Master Resell Rights License

Page 1 of 3 · Grant of Rights

1. GRANT OF RIGHTS

Upon purchase of this product (the "Product"), Summit Studio Digital ("Licensor") grants the purchaser ("Licensee") a non-exclusive, non-transferable, worldwide Master Resell Rights (MRR) license to use, modify, rebrand, and resell the Product under the terms set forth below. This license is granted per purchase and applies to the individual or business listed on the order.

2. WHAT YOU MAY DO

(a) Resell the Product to end customers and retain 100% of revenue. (b) Edit, rebrand, recolor, rewrite, or restructure the Product, in whole or in part. (c) Combine portions of the Product with your own materials to form a new offering. (d) Use all content (text, templates, graphics) for your own marketing, including on social media, in courses, and in lead magnets. (e) Grant end customers a Personal-Use license (see Section 4).

3. WHAT YOU MAY NOT DO

(a) Resell this product in the same format with Master Resell Rights; end customers receive only a Personal-Use license. (b) Upload or distribute the Product to free file-sharing sites, piracy networks, or public archives. (c) Claim original authorship of Summit Studio Digital creative writing verbatim without substantive edits. (d) Transfer this license to a third party except as part of a bona fide sale of your business.

4. END-CUSTOMER LICENSE YOU GRANT

When you resell the Product, the end customer receives only a Personal-Use (or Commercial-Use, at your discretion) license. The end customer may not resell the Product. You are responsible for communicating this in your listing and delivery. Summit Studio Digital recommends including a one-page license summary with each sale.

5. PRICING FLOOR

To protect the value of this product for all Licensees, Summit Studio Digital sets a minimum resale price of $9 USD (or the local equivalent) per copy. Bundling at a lower per-unit price is permitted when the Product is combined with other deliverables of meaningful value. Giveaways as lead magnets or free bonuses are permitted.

6. ATTRIBUTION

Attribution to Summit Studio Digital is not required. You may rebrand the Product under your own name. If you retain the original branding assets, you may credit the Licensor as the template source; no reciprocal link is required.

7. REFUND AND RETURNS (YOUR CUSTOMERS)

You set your own refund policy for your resales. This MRR license itself is non-refundable once access is delivered, in accordance with the Licensor's listing policy.

8. NO WARRANTY

The Product is provided "as is," without warranty of any kind, express or implied. Summit Studio Digital makes no guarantee regarding marketability, earnings, or results from resale of the Product. The Licensee assumes full responsibility for their business activities.

9. LIMITATION OF LIABILITY

To the maximum extent permitted by law, Summit Studio Digital's total liability arising from this license is limited to the amount the Licensee paid for the Product. Summit Studio Digital is not liable for indirect, incidental, consequential, or punitive damages.

10. TERM AND TERMINATION

This license is perpetual and begins on the date of purchase. Summit Studio Digital may terminate the license for material breach (for example, distribution of the Product on piracy networks). Upon termination, the Licensee must cease resale but may retain their personal working copy.

11. GOVERNING LAW AND UPDATES

This license is governed by the laws of the United States. Summit Studio Digital may update this license text for future purchases; the version delivered with this Product governs this Licensee's rights. Questions: contact via the Etsy shop message system (Summit Studio Digital).

12. SIGNATURE LINE

By completing the purchase, the Licensee agrees to the terms above. Retain a copy of this document with your business records. A sample end-customer license is available in the companion Resell Setup Checklist section of this pack.
